OBSERVATION IN RESPECT OF PERMANENT DUTY CLAIMS

Sl. No.	Action by the Officers	Action suggested/requested as per audit requirements
1	<p>It is observed from the recent receipt of Permanent Duty claims of Army Officers that</p> <ul style="list-style-type: none">➤ they prefer their claims of CTG on the basis of his Pay as per 7th CPC, or➤ claiming their residual portion of CTG of already passed claim as per pay prior to 7th CPC.	<p>It is clarified that the notification regarding payment of allowances of 7th CPC has not been approved/received from the competent authority so far. Hence, CTG is admissible at the rate of old pay i.e. as per 6th CPC pay only and is being admitted by this office as per 6th CPC only. Further, submission of supplementary claim for payment of residual portion of CTG (Diff of New Pay – Old Pay) is not entitled yet as no clarification in this regard has been received so far. Therefore, any correspondence in this regard viz submitting claims, supplementary claims, letters, e-mails etc. are unwarranted correspondences at this point of time, which lead to wastage of manpower.</p> <p style="text-align: center;">Therefore, the Officers are requested to wait for the Govt. orders in this regard and avoid such claims/correspondences.</p>
