

To get HRA at revised rates wherever classification of the City for the purpose of HRA has been revised, the following documentation is required:

- i) DO Part II is to be published as per the revised classification e.g. for 'X' class city casualty code GTDHRAX and existing DO Part II order is to be stopped and the casualty is STPHRA.
- ii) DO Part II order is also required to be re-published as per above, wherever officer has already published as per revised classification.
